MEMORANDUM FOR: Project Contracting Officer,

25X1A

SUBJECT : Items Not Covered at Suppliers' Meeting

1. I refer to your memorandum entitled additional items for Agenda, dated 10 December 1955 (SAPC-2902).

2. As I look over this in the light of my notes on the suppliers' meeting it appears to me that most of the matters herein listed were covered at that meeting or have been covered subsequently. Notable exceptions are 1a (4), 1c (1), 1d (9), 1f (3), 2 (2) and 2 (3) and 2 (5). I will discuss with you in the near future 1a (4). I plan to talk to Dr. Scott about 1c (1) when next we see him. 1f (3) will be taken care of in January. 2(2) and 2(5) could be covered if you think necessary by a circular letter to our suppliers. If you feel we should send such a letter will you please draft one for your own signature or mine as you think preferable. I think your signature would be more secure. Would you also advise me if there are any other matters on this list which should receive our attention.
